AGREEMENT

THIS AGREEMENT is between the FLORIDA ATLANTIC UNIVERSITY BOARD OF TRUSTEES (hereinafter referred to as “FAU,” the “University” or the “Board”), and the PALM BEACH COUNTY POLICE BENEVOLENT ASSOCIATION, INC. (hereinafter referred to as the “PBA”) representing the employees in the Law Enforcement Bargaining Unit; and

WHEREAS, it is recognized by FAU and the PBA that the public policy of the State and the purpose of Part II, Chapter 447, Florida Statutes, is to provide statutory implementation of Section 6, Article 1 of the Constitution of the State of Florida, and to promote harmonious and cooperative relationships between FAU and its employees, both collectively and individually, and to protect the public by assuring, at all times, the orderly and uninterrupted operations and functions of FAU; and

WHEREAS, it is recognized by FAU and the PBA that terms and conditions of employment of employees are contained in this Agreement and in FAU Policies and Regulations; and

WHEREAS, the above language is a statement of intent and, therefore, not subject to the grievance procedure as outlined in Article 6;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, FAU and the PBA do agree as follows:

ARTICLE 1
RECOGNITION

1.1 Inclusions.

A. The University hereby recognizes the PBA as the exclusive representative for the purpose of collective bargaining with respect to wages, hours and terms and conditions of employment for all employees included in the FAU Law Enforcement Bargaining Unit as defined in Certification No.1407 issued by the Florida Public Employees Relations Commission on July 2, 2003.

B. This Agreement includes all full-time and part-time employees in the classifications and positions listed in Appendix A of this Agreement, except for those individuals filling full-time and part-time positions excluded pursuant to Section 1.2.

1.2 Exclusions.

A. This Agreement specifically excludes employees in positions designated with managerial, confidential, temporary, or emergency status, and all persons paid from Other Personal Services (OPS) Funds.

1.3 Classes and Positions.

A. When FAU establishes a new law enforcement classification or revises an existing classification so that its bargaining unit designation is changed, FAU shall notify the PBA regarding the proposed bargaining unit designation of the class. The PBA shall notify FAU, in writing, within fifteen (15) days of receipt of the notice, of any comments it has regarding the bargaining unit designation or of its desire to discuss such designation. If, following such discussion, the PBA disagrees with the bargaining unit designation of the class, it may request that the Florida Public Employees Relations Commission resolve the dispute through unit clarification proceedings.

B. When a new position is created in a classification that is included in a bargaining unit, and FAU determines that the position should be excluded from the unit due to its managerial or confidential status, FAU shall notify the PBA of such determination. The PBA shall notify the University, in writing, within fifteen (15) days of receipt of the notice, of any comments it has regarding the bargaining unit designation or of its desire to discuss such designation. If, following such discussion, the PBA disagrees with the bargaining unit designation of the position, it may request that the Florida Public Employees Relations Commission resolve the dispute of unit placement.

ARTICLE 3

EMERGENCY CONDITIONS

If it is determined that an emergency condition exists, including, but not limited to, riots, civil disorders, hurricane conditions or similar catastrophes, the provisions of this Agreement may be suspended by the President or his representative(s) during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended. It is understood that a declared emergency may be limited to specific geographic areas, in which case suspension of the terms of this Agreement as provided above would apply only to those employees permanently or temporarily assigned to such areas.

ARTICLE 4

NONDISCRIMINATION

4.1 Non-Discrimination Policy – State and Federal Law

A. The Board and the PBA shall not discriminate against any employee based upon race, color, sex, religion, national origin, age, veteran status, disability, or marital status, nor shall the Board or the PBA abridge any employee rights related to union activity granted under Chapter 447, Florida Statutes.

B. Sexual harassment is a form of sex discrimination and on June 19, 1986, the United States Supreme Court, in Meritor Saving Bank v. Vinson, approved the following definition of sexual harassment (29 CFR 1604.11a) in the employment context:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

C. The PBA shall have the right to consult, as described in Article 5, on issues of discrimination, including sexual harassment.

4.2 Affirmative Action Program.

The PBA agrees to support the University's current affirmative action programs.

ARTICLE 5

EMPLOYEE REPRESENTATION AND PBA ACTIVITIES

5.1 Designation and Selection of Representatives.

A. The PBA shall annually furnish the President, no later than July 1st, a list of Employee Grievance Representatives, PBA Staff Representatives, and other PBA representatives who are designated to assist in processing grievances. FAU will not recognize any person as an Employee Grievance Representative, PBA Staff Representative, or other PBA grievance representative whose name does not appear on the list. This list may be amended as new representatives are designated by the PBA.

B. A total of three (3) employees may be designated to serve as Employee Grievance Representatives.

5.2 Representative Access.

A. Employee Grievance Representatives, PBA Staff Representatives, and other PBA grievance representatives shall have access to the premises of the University in accordance with the University's policies regarding public access to property and may request access to premises not available to the public under applicable University policy. Permission for such access for the purpose of investigating an employee's grievance shall not be unreasonably denied and shall be limited to the working hours of the employee with whom the representative wished to speak. Such access and investigation shall not impede University operations.

B. The PBA shall have the right to use University facilities for meeting on the same basis as they are available to other University-related organizations.

5.3 Consultation.

A. Consultation with the President. The President or his representative shall meet with local PBA representatives to discuss matters pertinent to the implementation or administration of this Agreement. The party requesting consultation shall submit a written list of agenda items no less than one (1) week in advance of the meeting. The other party shall also submit a written list of agenda items in advance of the meeting if it wishes to discuss specific issues. The University and the PBA understand and agree that such meetings may be used to resolve problems regarding the implementation and administration of the Agreement, however, such meetings shall not constitute or be used for the purpose of collective bargaining.

B. If a consultation meeting is held or requires reasonable travel time during the working hours of any employee participant, such participant shall be excused without loss of pay for that purpose. Attendance at a consultation meeting outside of regular working hours shall not be deemed time worked.

5.4 Bulletin Boards.

A. The Department agrees to continue to maintain bulletin boards for the PBA.

B. The materials posted on the boards shall be related only to PBA matters and shall not contain anything which violates or has the effect of violating any law, rule, or regulation. No material shall be posted which violates or has the effect of violating any law, rule, or regulation. No material shall be posted which is derogatory to any person or organization, or which constitutes election campaign materials for or against any person or organization or faction thereof, except that election material relating to PBA elections may be posted on such boards.

C. Posting must be dated and bear the signature of an authorized PBA representative.

5.5 Employee Information.

A. Upon written request of the PBA, the Department will, on a semi-annual basis provide a list of employees with the name, work address, classification title, gross salary, and date of hire for each employee.

B. At least twenty (20) days prior to the adoption or amendment of a University Personnel Regulation which will change the terms and conditions of employment for employees in the bargaining unit, the University will provide notice to the PBA by copy of the proposed regulation. The PBA will have ten (10) days after receipt of this notice to respond.

5.6 Negotiations.

A. Parties and Location. The PBA agrees that all collective bargaining is to be conducted with FAU representatives designated for that purpose by the President. There shall be no negotiations by the PBA at any other level.

B. Negotiation Committee. Annually, the PBA shall designate in writing prior to the start of collective bargaining, no more than three (3) employees to serve on its Negotiation Committee with negotiation leave and not more than one (1) employee to serve as alternate.

C. Negotiation Leave.

1. For each round of negotiations, each Committee member shall be granted time off with pay, if negotiations are scheduled during their approved work schedule, to attend negotiating sessions with the University.

2. Committee members attending negotiations shall not be credited with more than the number of hours regularly worked during an employee's regular workday. The time in attendance at such negotiating sessions shall not be counted as hours worked for the purpose of computing compensatory time or overtime.

3. Committee members shall not be reimbursed for travel, meals, lodging, or any expense incurred in connection with attendance at negotiating sessions.

4. The selection and attendance of any employee shall not impede the operations of the work unit.

5.7 Leave for Negotiating and Other PBA Activities.

A. An alternate who is not substituting for an absent Committee member may request unpaid leave or accrued annual or compensatory leave for the purpose of attending negotiating sessions. Such leave shall not impede the operations of the University or be unreasonably denied.

B. In advance, employees may request unpaid leave or accrued annual or compensatory leave for the purpose of attending PBA conventions, conferences, meetings, and negotiating sessions. Such leave shall not impede the operations of the University or be unreasonably denied.

ARTICLE 6

GRIEVANCE PROCEDURE

6.1 Policy.

A. The University and the PBA encourage the informal resolution of employee grievances. To that end, employees should present such grievances for review and discussion as soon as possible to the appropriate supervisor who has authority to address the grievance. Such review and discussion should be held with a view to reaching an understanding which will resolve the grievance in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure prescribed by this Article. If the grievance is not resolved by such informal discussion, the employee may proceed to file a formal grievance with the provisions of this Article.

B. "Grievance" means a dispute concerning the interpretation or application of a specific provision of this Agreement, except as exclusions are noted.

C. "Grievant" means an employee or group of employees who has/have filed a grievance in a dispute over a provision of this Agreement which confers rights upon the employee. The PBA may file a grievance dispute over a provision of this Agreement which confers rights upon PBA.

D. Suspensions and terminations shall be filed at Step Two. Suspensions and terminations may be appealed to Step Three.

E. A grievant who decides to use this Grievance Procedure shall, prior to the Step One meeting, choose whether to be represented by the PBA. A grievant shall not be represented by a PBA Representative who is in a supervisory or subordinate position to the employee of the University.

1. When the grievant has elected PBA representation, both the grievant and the PBA Representative shall be notified of the Step One meeting. Further, any written communication concerning the grievance or its resolution shall be sent to both the grievant and the PBA Representative, and any decision shall be binding on the grievant.

2. If the grievant is not represented by the PBA, the Associate Director or Director of Human Resources shall timely notify the PBA such that the PBA is given reasonable opportunity to be present at any meeting called for the resolution of such grievance. The processing of the grievance and any resolution will be in accordance with the terms of this Agreement.

3. The PBA shall not be bound by the decision of any grievance or arbitration in which the grievant was not represented by the PBA.

F. The filing or pendency of any grievance under the provisions of this Article shall in no way operate to impede, delay, or interfere with the right of the University to take the action it proposes, subject to the final disposition of the grievance.

G. The resolution of a grievance prior to its appeal in writing to Step Three shall not establish a precedent binding the PBA or the University.

H. Only those acts or omissions and sections of the Agreement identified in the initial grievance filing may be considered at subsequent steps.

I. There shall be no reprisals against any of the participants in the procedures contained herein by reason of such participation.

J. If a grievance meeting is held or requires reasonable travel time during the working hours of any required participant, such participant shall be excused without loss of pay for that purpose. Attendance at grievance meetings outside of the regular working hours shall not be deemed time worked.

K. Each grievance, request for review, and arbitration notice must be submitted in writing on the appropriate form attached to this agreement as Appendices C, D, and E, respectively, and shall be signed by the grievant. One Appendix C, D, and E may be filed in a grievance with more than one grievant, provided that the respective Appendix bears the signatures of all grievants. Grievances shall be considered filed upon date of receipt. Except for the initial filing of the grievance, if there is difficulty in meeting any time limit, a PBA representative may sign such forms for the grievant.

6.2 Procedures

A. Step One

All grievances shall be filed with the Department of Human Resources within ten (10) days following the act or omission giving rise to the grievance, or the date on which the grievant knew or reasonably should have known of such act or omission if that date is later. The written grievance shall be filed using Appendix C of this Agreement. The designated Step One Representative shall be the Chief of Police or designee. The Chief of Police or designee shall arrange an informal meeting, to be held within ten (10) days of the filing date, for the purpose of resolving the grievance. In advance of the Step One meeting, the grievant shall have the right, upon request, to a copy of identifiable documents relevant to the grievance. The Chief of Police or designee shall have seven (7) days from the informal meeting to resolve the dispute to the satisfaction of both parties. The Chief of Police or designee shall notify the grievant in writing of the decision.

B. Step Two.

If the grievance is not satisfactorily resolved at the Step One decision, the grievant may request in writing that the grievance proceed to Step Two. This request must be made within

five (5) days of the date of the Step One decision. The Step Two Representative shall be the Vice President for Financial Affairs, the Associate Provost for Academic Personnel, or designee with equivalent authority. The Step Two Representative shall schedule a conference, to be held within seven (7) days with the grievant and any other persons believed to be necessary to the equitable settlement of the grievance. The Step Two Representative will endeavor to settle the dispute and will notify the grievant of the Step Two decision in writing within seven (7) days of the conference.

All grievances for suspensions and terminations shall be filed at Step Two and shall follow the Step Two procedure as described above. The Step Two Representative will notify the grievant of the Step Two decision in writing within seven (7) days of the conference.

C. Step Three – Arbitration

1. If the grievance is not resolved at Step Two, the PBA Staff Representative may appeal the Step Two decision to Arbitration on a Notice of Arbitration form as set forth in Appendix E, within ten (10) days after receipt of the decision at Step Two. If the PBA did not represent the grievant at Step 1, the grievant may appeal the grievance to Arbitration.

2. The University and the PBA may, by written agreement, submit related grievances for hearing before the same arbitrator.

3. The parties agree to utilize the Federal Mediation and Conciliation Service (FMCS) as arbitrators. FMCS will provide a list of seven (7) arbitrators for each grievance from which the parties will mutually select one (1). If mutual agreement is not reached the parties shall alternately strike from the list until one remains. The party to strike first shall be determined by the flip of a coin.

4. Arbitrability. Issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, an arbitrator shall then be selected to hear the substantive issue(s) in accordance with the provisions of Section 6.2.C.3.

5. Arbitration hearings shall be held at times and locations at the University agreed to by the parties.

6. The arbitrator may fashion an appropriate remedy to resolve the grievance and, provided the decision is in accordance with his/her jurisdiction and authority under this Agreement, the decision shall be final and binding on the University, the PBA, the grievant(s), and other employees. In considering a grievance, the arbitrator shall be governed by the following provisions and limitations:

a. The arbitrator shall issue his/her decision no later than forty-five (45) days from the date of the closing of the hearing or the submission of briefs, whichever is later.

b. The arbitrator's decision shall be in writing, and shall set forth the arbitrator's opinion and conclusions on the issue(s) submitted.

c. The arbitrator shall have no authority to determine any other issue, and shall refrain from issuing any statement of opinion or conclusion not essential to the determination of the issue(s) submitted.

d. The arbitrator shall limit his/her decision strictly to the application and interpretation of the specific provisions of this Agreement

7. The arbitrator shall be without power or authority to make any decisions:

a. Contrary to or inconsistent with, adding to, subtracting from, or modifying, altering, or ignoring in any way the terms of this Agreement, or the provision of applicable law, rules, or regulation having the force and effect of law; or,

b. Limiting or interfering in any way with the powers, duties, and responsibilities of the University under the Constitution, applicable law, rules and regulations having force and effect of law, except as such powers, duties and responsibilities have been abridged, delegated, or modified by the provisions of this Agreement.

8. The arbitrator's award may include back pay to the grievant(s); however, the following limitations shall apply to such monetary awards:

a. No award for back pay shall exceed the amount of pay the employee would otherwise have earned at his/her regular rate of pay, and such back pay shall not be retroactive to a date earlier than the date of the occurrence of the event giving rise to the grievance under consideration, and in no event more than ten (10) days prior to the filing of the grievance; and

b. The award shall not exceed the actual loss to the grievant, and will not include punitive damages, overtime, on-call, or other speculative compensation which might have been earned, and shall be reduced by replacement compensation received by the employee during the period of time affected by the award.

9. The reasonable fees and expenses of the arbitrator shall be borne solely by the party who fails to prevail in the hearing; however, each party shall be responsible for compensating and paying the expenses of its own representatives, attorneys, and witnesses. If the arbitrator fashions an award in such a manner that the grievance is sustained in part and denied in part, the parties will evenly split the arbitrator's fee and expenses.

10. The PBA will not be responsible for costs of an arbitration to which it has not been a party.

6.3 Time Limits.

A. Failure to initiate a grievance within the time limits specified shall be deemed a waiver of the grievance. Failure at any step of this procedure to submit a grievance to the next Step within the specified time limits shall be deemed to be acceptance of the decision at that Step.

B. Failure at any Step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant, or the PBA where appropriate, to proceed to the next step.

C. The mutual time limits specified in any Step of this procedure may be extended, in any specific instance, by written agreement.

D. In the event that any action falls due on a Saturday, Sunday, or holiday (as referred to in Article 2, 2.3), the action will be considered timely if it is accomplished by 5:00 p.m. on the following business day.

6.4 Exceptions.

A. Nothing in this article or elsewhere in this Agreement shall be construed to permit the PBA or an employee to process a grievance (1) on behalf of any employee without his/her consent, or (2) with respect to any matter which is at the same time the subject of an action which has been filed by a grievant in another forum, administrative or judicial. As an exception to this provision, a grievant may file an EEOC charge while a grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C Section 2000e et seq.

ARTICLE 7

INTERNAL INVESTIGATIONS, JUST CAUSE AND DISCIPLINARY ACTION

7.1 Internal Investigations

A. The parties recognize that law enforcement personnel occupy a special place in American society. Therefore, it is understood that the University has the right to expect that a professional standard of conduct be adhered to by all law enforcement personnel regardless of rank or assignment. Since internal investigations may be undertaken to inquire into complaints of misconduct, the University reserves the right to conduct such investigations to uncover the facts in each case, but expressly agrees to carefully guard and protect the rights and dignity of accused employees. In the course of any internal investigation, the investigative methods, and processes used will be consistent with the Law Enforcement Officers' Bill of Rights, Part VI of Chapter 112, Florida Statutes. It is recognized, however, that alleged violations of the Law Enforcement Officers' Bill of Rights are subject only to processing as a grievance up to Step Two of the Grievance Procedure in addition to the remedies provided by statute.

B. No employee shall be required to submit to a polygraph test or any device designed to measure the truthfulness of responses during an investigation of a complaint unless authorized by statute or a decision of the Florida Supreme Court.

C. In cases where the University determines that the employee's absence from the work location is essential to the investigation and the employee cannot be reassigned to other duties pending completion of the investigation, the employee shall be placed on administrative leave with pay. Any employee placed on administrative leave pending investigation under this Section shall hold himself or herself reasonably available during regular business hours to facilitate the investigation.

7.2 Just Cause.

A. The University and the PBA endorse the principle of progressive discipline, while at the same time recognizing that certain types of actions or offenses are of such a nature as to warrant immediate dismissal. The purpose of this Article is to provide a prompt and equitable procedure for disciplinary action taken with just cause. Supervisors shall provide privacy to the extent practicable when administering disciplinary actions.

B. Disciplinary actions administered to employees who have completed their initial probationary period may be taken only for just cause. An employee who has not completed his/her initial probationary period in the unit position shall not have access to the grievance procedure in Article 6 when disciplined.

C. Suspensions, Dismissals, Disciplinary Demotions, and Reductions in Base Pay for Disciplinary Reasons. If filed within ten (10) days from the date of receipt of notice from the University, by personal delivery or by certified mail, return receipt requested, a complaint by an employee who has completed their initial probationary period in the unit position concerning a

suspension, dismissal, disciplinary demotion or reduction in base pay may be grieved and processed through the Arbitration step, in accordance with the Grievance Procedure in Article 6 of this Agreement; however, in order to expedite the review of dismissal actions, such grievances may be filed at Step Two.

D. Written Reprimands. Written reprimands shall be subject to the grievance procedure in Article 6, but only through Step Two. Written reprimands shall not be used as a step in the progressive discipline process, provided that the employee has maintained a discipline free work record for at least two (2) consecutive years.

E. Oral Reprimands. Oral Reprimands shall be subject to the grievance procedure in Article 6, but only through Step One. Oral reprimands shall not be used as a step in the progressive discipline process, provided that the employee has maintained a discipline free work record for one (1) year.

F. Notification to Employee. Each employee shall be furnished a copy of all disciplinary actions placed in the employee's official personnel file and shall be permitted to respond thereto.

G. PBA Representation. An employee may request that a PBA Staff Representative or Employee Grievance Representative be present during any disciplinary investigation meeting in which the employee is being questioned relative to alleged misconduct of the employee, or during a predetermination conference in which suspension, dismissal, disciplinary demotion, or reduction in base pay of the employee is being considered.

ARTICLE 8

DRUG TESTING AND FITNESS FOR DUTY

8.1 It is the policy of the University that its employees shall not use illegal drugs or abuse alcohol or otherwise lawful drugs. The possession, use or sale of illegal drugs or drugs obtained illegally is forbidden to all employees, regardless of whether such use, possession or sale occurs on or off duty and may serve as grounds for discipline up to and including dismissal. The use or possession of alcoholic beverages (including break and meal periods) while on duty is expressly prohibited.

8.2 Any employee covered by this Agreement shall be subject to a blood, urine, hair or intoxilizer test accomplished by certified and qualified operators if there is reasonable suspicion on the part of the employee's immediate supervisor and the Police Chief or designee, that the employee is under the influence of alcohol, drugs or controlled substances while on duty or is otherwise in violation of Article 12.1. Any specimen collected will be tested by a certified and accredited laboratory. For purposes of determining reasonable suspicion, the Department will use the standards described under Section 112.0455(5)(j), Fla. Stat.

8.3 When an employee tests positive (e.g., a drug or drugs is detected), a second test will be run on the sample originally taken. The standards for determining whether a test is positive will be as provided under Chapter 59A-24A, Florida Administrative Code, or any successor thereto. If the second test does not detect the presence of a drug or drugs, the second test shall prevail.

8.4 Testing will be done at the University's expense. Prior to testing, the employee shall be afforded the opportunity to disclose any medications or substances that may impact the test results. If the test results establish with reasonable scientific certainty that an employee is present at work with the presence of alcohol or drugs in his or her system, the employee may be disciplined or dismissed.

8.5 The failure or refusal of an employee to submit to a blood, urine hair, or intoxilizer test when ordered to take such test shall result in dismissal.

8.6 In the event that an employee informs the University of his or her abuse of alcohol/drugs prior to reporting for duty and prior to testing, disciplinary action may be taken, up to and including dismissal. The University may, at its sole discretion, instead allow an employee the option of enrolling in a bona fide rehabilitation/treatment program. Failure to successfully complete the rehabilitation/treatment program, as verified by the Department of Human Resources, may result in dismissal. Sick leave and/or vacation may be utilized for rehabilitation and treatment. If sick leave and vacation credits have been exhausted, employee may be granted a leave of absence, without pay. Leaves under this Section may be designated as FMLA where

permitted or required by law. If a rehabilitation opportunity is afforded, it shall be permitted for a first offense only.

8.7 The parties agree that during the term of this Agreement, the University shall have the right to establish a Drug Free Workplace Program as set forth in the Florida Workers' Compensation Law, and that the University may update the program to conform to changes in the law and regulations. The University will provide the PBA with a copy of any proposed Drug Free Workplace program at least thirty (30) calendar days before implementation, and upon request, consult with the PBA before the Program's effective date.

8.8 Health and Fitness Program. The University shall consult with PBA prior to implementing a mandatory health and fitness program for employees. Such consultations shall not constitute a waiver of the PBA's right to negotiate concerning changes in terms and conditions of employment.

ARTICLE 9

CHANGE IN ASSIGNMENT

9.1 Policy.

This section applies to an employee that has completed the initial probationary period in the current class who meets all University eligibility requirements and applies for a change in assignment to a different position in the same class or a different class having the same pay range maximum, a different work unit, or a different shift at the University according to University procedures. Prior to filling a vacancy, except by demotion, the University shall consider the needs of the Department and applicable change in assignment requests. In the event the most senior applicant is not selected, he/she may request and receive a meeting with the Chief or his designee to discuss the decision.

9.2 Involuntary Change in Assignment.

A. An employee may be required to reside within a reasonable distance of a work unit.

B. Nothing contained in this Agreement shall be construed to prevent the University, at its discretion, from effecting a change in assignment of any employee according to the needs of the University. However, it is understood that the University will make an effort not to effect any change in assignment which will impose a residency hardship on the employee (in that the employee must relocate his/her residence from a permanent home presently owned or cancel a rental lease extending more than three months). An employee shall, if practicable, be given a minimum of fourteen (14) days notice prior to the University effecting such change in assignment.

C. Nothing contained in this Agreement shall be construed to prevent the University from making a change in assignment of any employee during an official emergency or as otherwise required to meet unforeseen law enforcement needs.

9.3 Grievability.

A. An employee complaint concerning administration of this Article may be grieved in accordance with Article 6 of this Agreement but only through Step Two. The initiation of a grievance claiming a residency hardship shall stay any required change in residence until final disposition of the grievance. In considering such a grievance, weight shall be given to the needs of the University against the hardship on the employee.

ARTICLE 10
PROMOTIONS

10.1 Policy.

The filling of vacant positions should be used to provide career mobility for employees and should be based on the relative merit and fitness of the applicants. The University shall fill a vacant position with the applicant who, in its judgment, is most qualified to perform the duties as described in the class specification, position description and other documents describing the position.

In addition to the written exam score, the University may, at its discretion, use oral interviews, employee performance evaluations, and/or other criteria such as an assessment center, in establishing the University's final promotional list. If the University intends to include criteria in addition to the written exam, such criteria shall be included in the "Notice of Promotional Exam" which shall be furnished to those eligible employees whose exam requests are on file with the University.

B. If the University uses oral interviews, it will provide the local PBA representative the names of the individuals to serve on the interview committee. Questions asked at an oral interview will be limited to those that are clearly job related and the same questions shall be asked of all applicants.
