There shall be no individual arrangements contrary to the provisions of this Agreement.

Section 2. Every effort will be made to schedule negotiations during off-duty hours. However, the PBA representatives may be allowed reasonable time off without loss of pay to attend meetings with the City for purposes of renegotiating this contract, as long as the absence does not interfere with the efficient operation of the Department as determined by the Police Chief. A request may be denied at the discretion of the Police Chief or their designee, if there is insufficient manpower to be disruptive to the department operations.

Union Business Bank hours shall be paid out when used on an hour for hour basis at the rate of pay of the PBA Representative(s).

All requests shall be in one-hour increments at the current rate of pay of the PBA Representative(s). The form shall have the approval signatures of the Police Chief or his designee and the PBA Representative or his designee.

Subject to being called back to duty when necessary, the City will permit a PBA Representative to attend grievance hearings, negotiations, employee interrogations in conjunction with an internal affairs investigation or administrative inquiry, predetermination hearings, and process, present, or respond to grievances, in an on-duty status if they are on duty, provided their participation does not create a vacancy requiring overtime. All time spent by on-duty PBA representatives attending any of the aforementioned shall be deducted from the PBA Union Business Bank.

<u>Section 8</u>. Any officer may present one Associate, Bachelors, or Master's degree from a regionally accredited college or university and receive credit toward the minimum advanced police training requirements. Associate Degree = 5 hours; Bachelor's Degree = 10 hours; Master's Degree = 15 hours. One degree may be declared in each rank for the credit.

Section 9. Effective October 1, 2019, any Officer that successfully completes the required time in rank and advanced police training in increments as outlined in Table A of this Article, will receive an incremental increase to base pay, also as outlined in Table A. This increase is an "advance" on the promotional increase percentage identified in each rank and cannot exceed 5% total. Upon formal promotion to the next rank, the officer will receive the remaining increase due as previously outlined, if any. As this may be granted on the officer's anniversary date, this increase is added to any negotiated merit increase for that fiscal year. If the officer has reached or exceeds the maximum of the pay range, the incremental increase will be granted in a one-time lump sum.

<u>Section 10</u>. Detectives will be paid at a rate of 5% higher than their current pay while serving as a detective. Detectives shall not work overtime without the prior approval of the Chief of Police or his or her Division Commander.

Each K-9 Officer shall be paid an additional one (1) hour of straight-time pay, each scheduled workday at \$25.00 per hour to compensate for the daily activities for off duty care and maintenance of their assigned canine. On the days off from duty, officers will be allocated 1hour of straight-time to their comp-time bank. Additionally, all veterinarian visits off duty will be treated as overtime.

<u>Section 13.</u> FRS rules currently require employees to contribute 3% to the pension fund and the City will institute a Conditional GWI Adjustment for the affected employees in that amount to fill this gap.

If FRS rules change to eliminate the employee contribution prior to September 30, 2012, the City will continue its Conditional GWI Adjustment until September 30, 2012. If FRS rules change to eliminate the employee contribution after September 30, 2012, the City will discontinue filling the gap resulting in no net income loss to the employee.

As long as this 3% FRS Employee Contribution is in effect, the City will continue the 3% Conditional GWI Adjustment to fill the gap.

Whenever future FRS rules change employee contributions above the 3% currently in effect, that rate is imposed, and the City is not bound to provide offsetting compensation.

Those members who do not participate in employee contributions to FRS (i.e. DROP) are not affected by this article and will not receive Conditional GWI Adjustments.

Section 14. General Wage Increase (GWI)

When not previously collectively bargained, members will be afforded any General Wage Increase or Cost of Living Increase as awarded by the Board to other City employee groups excluding collectively bargained provisions for IAFF members.

Section 15. Unless otherwise collectively bargained, beginning October 1, 2019, and ending September 30, 2021, members who receive an overall rating of "Meets Expectations" or greater on their annual performance evaluation will receive a 3% increase to their base pay. Employees who reach the maximum of their salary range during the calculation of the 3% will receive the remainder in a lump sum. Employees who are over the salary range for their classification at the time of their annual performance evaluation will receive a one-time lump sum of \$1,000.00.
