RE: Retiree Luncheon
Date: Thursday June 16th, 2022
Time: Noon
Location: 2100 North Florida Mango Road
West Palm Beach, Florida 33409

Dear Retirees & Beneficiaries,

Ernie George is hosting a lunch for the retirees to go over the Supplemental Pay (13th & 14th Checks); to explain the process, answer any questions, and review what to expect next.

Gregg Bryant from Atlantic Wealth Management will also be in attendance. Greg will be able to assist interested members in setting up a rollover account to tax defer a portion or all of the supplemental pay for Retirees that never had or no longer have a DROP or SHARE account.

For those that are interested, we will review the pension website and educate you on where you can view the actuary reports that determine future Supplemental Pay benefits.

Lunch will be served, and the bar will be open, so come on by and visit with some old friends, even if you don't have any questions on the supplemental pay.
